NEW BUSINESS:

Rescue Committee - (Deborah Blair, Chair; Alice Brown, Sandy Scudder, Trish Hughes, Gloria Kaczmarski)

The committee evaluated several Rescue organizations.

Sandy was in contact with SPDR and Desiree Gibson joined their meeting.

Conclusion of this committee is that unlike many of the other Golden Retriever clubs that have decided to abandon rescue, EGRC continues to care for the Goldens in our community and desires to align with another rescue. As such, the committee recommends

That EGRC endorse the efforts of SPDR regarding Golden Retriever Rescue

That EGRC inform its members of their support of SPDR and encourage participation, either in the form of volunteering to help or in contributing financially.

That EGRC include a link to their website on our website, and to their Facebook group on our Facebook page.

That Club representative who are asked about rescue or obtaining an older dog be referred to SPDR.

MOTION: To accept the recommendations of the Rescue Committee as stated above.

APPROVED

There were a few questions asked of Desiree:

If we make individual donations to SPDR, can we designate that it's for Goldens? **Yes** Will we receive regular reports about Goldens that have been rescued and placed? **Yes** The SPDR Facebook page does show the rescued Goldens that have been placed.

Meeting Adjourned – 8:17 p.m.

Respectfully submitted, Marian Tillman, Recording Secretary

Information on using Zoom for EGRC general meetings

As many may have heard we are going to try to have our EGRC general membership meeting on June 25 at 7:00 pm via Zoom. For those of you who are unfamiliar with Zoom it is quite easy to use and very user friendly. You will receive a meeting invite typically via email. Within that invite should be a "live" link that you can just click on.

For those who already have Zoom downloaded on their device the link should work immediately. For those who have never used Zoom it will prompt you to download the Zoom Client for Meetings. You will need to have this on your device to have video on a zoom meeting. And do not worry you do not always have to have the video on. You can always turn it off once you are in the meeting. If you do not care about video then at the bottom of the email invite is a phone number you can simply call in. This will let you listen to and talk at the meeting if necessary.

For any of these options, when you go to join the meeting make sure to have the meeting ID and password handy in case you are prompted to enter it. We will always use a password because this is an important security feature, and it may change from meeting to meeting to enhance that security.

You are NOT required to open an account with zoom to join a meeting. If you have a chance prior to the meeting date click on this link https://zoom.us/download It should open to a page with a subheading of Zoom Client for Meetings. Below it will be a blue download button for Version 5.0.2 (24046.0510) Click on that download button and the zoom client should begin loading on your device. Once this is completed when you get the meeting invite you can then just click on the link.

Again, the meeting is June 25 at 7:00 pm .Sharmin Dominke is the administrator of the meeting. You should receive your invitation to the meeting by about June 22.

Sharmin Dominke has offered to provide one on one help for anyone who needs it. Please contact her at 206-795-0804 or sharminbaumann@hotmail.com but please reach out to her sooner rather than later so the meeting can run smoothly with as many attending as possible!!

Nancy also has information about Zoom and you can contact her as well at 425-254-3609 or kylahgold@aol.com

.

We will be voting on two new members at the June 25 General Meeting
